**ATTACHMENTS**

# Shred more material faster & safer

1,325 pounds and designed for maximum professional brush clearing durability. Built with 250 hp components such as the cutter drum that is over 1/2" thick, mounting ears that are 5/8" thick, end plates that are 3/4" thick and the abrasion resistant AR plate shroud of 3/8". The severe duty triple hammer knife configuration is another innovation from the originator of the excavator flail brush shredder. The result... more profitable shredder production!

## Features
